

**Framing the beach, newly constructed planters provide a backdrop of cascading colour, including yellow Alamanda, nine varieties of Bougainvillea, in a colour spectrum from deep purple to fuchsia, and deep blue Plumbagos.**

### **COCO REEF'S EXOTIC NEW BEACH PLANTS**

**This rainbow of colour coupled with magnificent swaying coconut palms and Tobago's only white sand beach fulfils everyone's dream of the perfect Caribbean Resort.**

**The choice of complimentary watersports has been improved and now includes sailboats, single and double kayaks, paddleboats and windsurfers. Complimentary snorkelling equipment is also available.**
